

02 July, 2020

Excellency,

Thank you for your warm wishes on India's election as a non-permanent member to the United Nations Security Council for the 2021-2022 term.

We deeply value your support extended towards India's success at this election and look forward to a meaningful and a productive tenure at the UNSC.

India, as a firm believer of reformed multilateralism, will be keen to work with other partner countries in seeking comprehensive and innovative solutions to peace, development and security.

Excellency, we remain appreciative of the humanistic spirit of the Government and the people of Bangladesh in hosting displaced people from the Rakhine state of Myanmar. As a neighbor of both Bangladesh and Myanmar, we fully understand the urgency of this issue and an early, safe sustainable repatriation of displaced persons from Rakhine is in the collective interest of all.

As we deal with the COVID pandemic, I would also like to reassure you to India's steadfast and continued support to the Government and people of Bangladesh.

Please accept, Excellency, the renewed assurances of my highest consideration. My best wishes for your good health and success.

(Dr. S. Jaishankar)

H.E. Dr. A.K. Abdul Momen, MP
Minister of Foreign Affairs,
Government of People's Republic of Bangladesh
